

## **Completing an Additional Major or Additional Degree after Earning a Bachelor's Degree**

Students who have already earned a degree from King and are not enrolled in a graduate program may return and fulfill the requirements of another major. These students must apply for readmission to the institution, declare the appropriate major in the Office of Registration and Records, and register as seniors.

Students who return to King to complete another major must meet all the requirements for that additional major. The major chosen will dictate whether the student is working toward an additional degree or simply an additional major. It will be the student's responsibility to fill out a *Completion of Additional Major* form in the Office of Registration and Records upon completion of the requirements for the additional major so that a notation can be placed on the transcript.

Students who are seeking an additional major that does not lead to a second undergraduate (Bachelor's) degree will not be eligible for any financial aid. Students that are degree seeking and will receive a second Bachelor's degree may be eligible for Financial Aid. Students should contact the Financial Aid Office before starting an academic program leading to another major.

A student who has completed an additional major that would lead to the degree he/she already has (e.g. Bachelor of Arts) may not take part in a second graduation ceremony. However, if the second major program of study leads to a different degree (e.g. Bachelor of Social Work), then the student may march to receive his/her additional degree.

A minimum of 28 hours must be completed beyond those required for the first degree to be eligible for a second degree. Only those hours earned after the first degree was conferred will be used in the calculation of any academic honor for the second degree. The student must pay a second graduation fee in order to receive the second degree.
