

All students are assigned a Student Success Specialist and/or an Academic Advisor to assist them in their academic planning and in navigating University registration processes.

During the latter part of the fall and spring semesters, Traditional students who plan to be enrolled for the next semester will register themselves online via the Student Portal.

Financial obligations must be met in the Business Office before the registration procedure can be finalized (i.e. any student with a hold from the Business Office or Financial Aid will not be registered until the hold is taken care of).
