

King offers online courses in a variety of subjects for both traditional and graduate and professional studies students. Online courses are similar to face-to-face courses in content, requirements, and rigor. Instructors develop courses that define learning outcomes for online courses that are in keeping with intended outcomes for comparable courses and programs delivered via other modes at the institution.

Students in online classes have access to all King resources, including technical support, Upswing 24/7 online tutoring, Academic Center for Excellence (ACE) services, and library resources. Students should consult the King Academic Catalog and Student Handbook for information on additional resources available to all students. By their nature, some services are made available on the main campus. More information is available in The Online Student Handbook posted in each online course.
