

## Main Campus 2024 Annual Crime Statistics Report

In compliance with the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act*, King University provides the crime statistics report below. This report is not a general, catch-all incident log. Its purpose is to record **alleged criminal** incidents that are reported to the campus security office. For example, if a student reports losing his or her wallet in the parking lot behind a residence hall, it is not a criminal incident, and there is no requirement to list the lost wallet in this report. However, if a student reports their wallet was stolen from the student’s residence hall room, this is a criminal incident and the institution is required to record it in the log. For more information, please contact the Director of Safety and Security at [blberry@king.edu](mailto:blberry@king.edu) or 423-652-4705.

## Hate Crime Statistics

A hate crime is a criminal offense committed against a person or property which is motivated, in whole or in part, by the offender's bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, religion, disability, sexual orientation or ethnicity/national origin. Such offenses are listed under Hate Crimes and any act is separately listed. Hate crimes that are not violent in nature, such as graffiti or harassment, are not included in this total. Hate Crimes are listed as a subset of Clery Act reported offenses.
