Regalia Guide Continued

Graduates may wear up to three academic accoutrements (cords, stoles, sashes, medallions, etc.), of the graduate's choice, at commencement ceremonies to represent:

Academic honors, honors programs, and honor societies

- Gold honor cords are reserved for those graduating *summa cum laude*.
- Graduates designated as Snider Honors Fellows will wear a medallion.
- Graduates who have been inducted into academic honor societies that are formally chartered and/or recognized by the University (and/or recognized by the Association of College Honor Societies) may wear academic accoutrements that are approved or supplied by the parent organization.

International affiliation

- International students will be provided with a stole indicative of the colors of their home country's flag.

Military affiliation

- Red, white, and blue military cords will be provided to all graduates who have or are serving in the United States Armed Forces.

Other academic accoutrements may be allowed within the following guidelines:

- Primary representation of an academic discipline or field of study is solely by the trim of the academic hood. Other accoutrements representing an academic program of study are thus superfluous and not allowed.
- Sashes/stoles may not be wider than 5 inches. Medallions may not be greater than 3 inches in diameter.
- Sashes/stoles imprinted with the name of an organization or entity, the logo or initials representing an organization or entity, and/or the specific achievements of the wearer may not include any derogatory, offensive, or divisive language or symbolism, nor should they be disruptive or draw undue attention to an individual person or group that would detract from the dignity of the occasion.

Graduates should wear business attire (jacket not required) under their academic apparel, with dark clothes and shoes recommended. Clothing is mandatory, as are shoes. Students will not be allowed to participate in the commencement ceremony with bare feet.

Any accoutrements or modifications to the student's academic apparel, such as flamboyant mortarboard decorations, that draw attention to an individual and detract from the dignity of the occasion are not permitted.

Anyone who presents themselves for participation in commencement who is attired in a way that is not consistent with this policy may be asked to make the necessary adjustments prior to the ceremony by the Chief Marshal or their designee. Failure to comply with such a request may result in the individual not being allowed to participate in the commencement ceremony.

Commencement Parking

To avoid creating additional challenges, we ask that all graduates and guests travel to the Bristol campus in one vehicle, if possible. Parking will open at 7:00 AM. No parking passes will be issued to graduates or employees.

Limited shuttle service on campus will be provided.

Those who are mobility impaired and require special parking accommodations must have a state-issued handicap placard or register to obtain a commencement parking permit to use special needs parking. Please note that special needs parking permits issued by King University Security Office are only valid for the Commencement service on May 03, 2025.

Nursing Pinning Ceremony

Thursday, May 1st at 6:00 PM
First Presbyterian Church
701 Florida Ave
Bristol, TN 37620

Each school's nursing program bestows a pin distinctive to their own school. King University's School of Nursing pin, like the distinguished 13th century coat of arms, signifies pride in individual achievement. The nursing students in the first graduating class designed King's School of Nursing pin.

The pinning is associated with Florence Nightingale, who, in the 1860s, was honored with the Red Cross of St. George for her selfless efforts to injured men during the Crimean War.

Because she believed in acknowledging a job well done, she presented a medal of excellence to her hardest working nursing graduates. By 1916, it became standard in the United States to award all nursing graduates with a pin during a special ceremony. One of King's traditions for the ceremony has included a blessing of the hands and lighting of the Florence Nightingale lamps.

The School of Nursing will contact students eligible to participate in the ceremony.

Baccalaureate Service

Friday, May 2nd at 6:00 PM
First Presbyterian Church
701 Florida Ave
Bristol, TN 37620

For graduating students, the Baccalaureate service is a great opportunity to reminisce with fellow students about their years at King University. The service is a vital and timeless expression of the commitment students have made to the values of excellence and service that King represents. It provides an occasion to acknowledge King's roots in the Christian academic tradition and to give thanks to God for the opportunities students have enjoyed as members of the King University community. The Baccalaureate service is a sacred part of the King experience and cherished by generations of King alumni. For this reason, all graduating students are expected to attend.

The service is held at the First Presbyterian Church at 6:00 p.m. on Friday, the evening before each spring Saturday commencement ceremony. Graduating students should assemble in the Fellowship Hall at 5:15 p.m. and wear their robes without the hood or cap.

Diploma Information

Final grades for spring are due after the commencement ceremony. Once all grades are collected, each student's final degree audit will be reviewed and degrees conferred.

Following the conferral of all degrees, diplomas will be ordered with our vendor, Parchment. Once the order has been placed, a notice will be sent to each graduate's King email account where they will be able to access a digital diploma. The digital diploma allows graduates to share their accomplishments on social media sites such as Facebook, Instagram, Snapchat, Twitter, and LinkedIn. We encourage all graduates to promote their talents in places where employers and future King students will see them.

In addition to a digital diploma, each graduate will receive a paper diploma. Paper diplomas will be mailed the graduate's home address within 10 to 14 business days after release of the digital copy.

DIPLOMA FAQ

Additional Information

Courses from Outside Institutions

Students taking courses from another institution within their graduation semester need to be aware that grades for such courses are due no later than 8:00 AM on Tuesday, August 20th.

Failure to meet this deadline could hold up conferral of the degree and the release of transcripts. Students are responsible for making arrangements with professors at other institutions to complete course requirements early, if necessary, in order to meet the King University deadline.

Family Diploma at Commencement

A graduating student who has a parent or guardian that is a member of the King University faculty, staff, or Board of Trustees may request that the parent deliver the diploma case during commencement in lieu of the President. The student should make the request in writing to The Office of Academic Affairs at provost@king.edu at least two weeks prior to commencement. Requests after this date will not be approved.

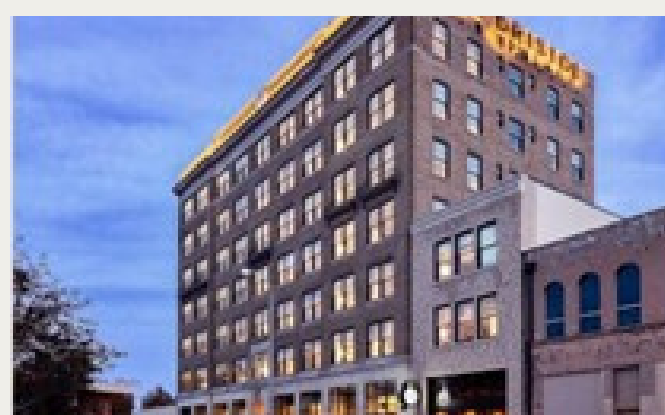

Guests of Graduates

Tickets are not required for commencement, but seating is provided on a first-come-first-serve basis. Pets are not invited to the ceremony. Service animals permitted under the control of its handler.
